"L'autore Author Elli Overton is a three-time Australian Olympian and mother of two beautiful boys. Elli was a World Short Course, Pan Pacific, Commonwealth Games, and Australian Champion, but an Olympic medal eluded her. Plagued by feelings of being a loser because she never won an Olympic medal, Elli hid from the world of swimming for 12 years after her retirement. Now Elli is back, her focus on coaching and teaching swimming. She is dedicated to helping others reach their potential and appreciate their success. Still striving to reach her own potential, Elli has finally learned to value and celebrate her own achievements, big and small.
