

The Unexpected Joy Of The Ordinary By Catherine Gray

"Werbetext The new book from the Sunday Times Bestselling Author Äber den Autor und weitere Mitwirkende Catherine Gray is an award-winning writer and editor who has been featured in the Guardian, Stylist, the Telegraph, Grazia, The Lancet Psychiatrist, Mr & Mrs Smith, BBC Earth, Women's Health, Stella, T2, Private Eye, Woman's Hour and BBC Breakfast. Catherine's hit debut, The Unexpected Joy of Being Sober, was a Sunday Times top 10 bestseller. Since then she has published The Unexpected Joy of Being Sober Journal and the critically acclaimed Unexpected Joy of Being Single. When she's not writing, Catherine can generally be found taking twenty (identical) pictures of the sunset, wondering why she's always the sweatiest person in yoga, fighting her 'spend it all!' financial urges, or scanning the body language of strangers to see if it's OK to pet their dog.
