

## Where I Live By Brenda Rufener

"CrÃticas ""A powerful, stirring debut, *Where I Live* takes us on a journey into a hidden world that exists all around us-exploring homelessness, poverty, love, and grief with insight, sensitivity, and most of all, hope."" -- **Amber Smith**, *New York Times* bestselling author of *The Way I Used to Be* ""A compelling and deeply felt debut, *Where I Live* is an unflinching portrayal of homelessness, abuse, and love. Linden's story grabbed me and didn't let me go."" -- Carlie Sorosiak, author of *IF BIRDS FLY BACK* ""Where I Live tempers the precarious existence of homelessness with the saving grace of friendship. A poignant, hopeful, and unvarnished story of courage and resilience."" -- Kerry Kletter, acclaimed author of *The First Time She Drowned* ""Fans of Jennifer Niven and Nicola Yoon will enjoy this realistic debut novel, which brings to light heavy topics of homelessness and abuse."" -- School Library Journal ""This debut novel takes readers into a world where serious issues of poverty, homelessness, and violence are juxtaposed with the everyday drama of high school hierarchies, relationships, and life."" -- Voice of Youth Advocates (VOYA) ""A frank and emotional portrayal of a very real, very prevalent, but often unspoken problem in the United States, *Where I Live* is long overdue in the young adult world."" -- Bustle ReseÃ±a del editor This evocative debut YA novel tells the story of Linden, a homeless teen secretly living in her high school. Together with her makeshift family of close friends, Linden struggles against the hardships of her past and begins to shape a bright future. Perfect for fans of Jennifer Niven and Nicola Yoon, this is a stirring novel about overcoming all odds. BiografÃa del autor **Brenda Rufener** spent her childhood stomping through the woods of Oregon in search of bat-filled caves and Bigfoot. She successfully located one of the two and spent the rest of her time penciling short stories. A double major in English and biology, Brenda graduated from Whitman College. She lives in North Carolina with her family and is an advocate for homeless youth. *Where I Live* is her debut novel and is followed by *Since We Last Spoke*.
