

Judith Baker Montano S Essential Stitch Guide A Source Book Of Inspiration The Best Of Elegant Stitches Floral Stitches By Judith Montano

"Pressestimmen Judith Baker Montano, experienced needle worker and author, presents this concise stitch dictionary, combining her previous best sellers into one basic reference book. Chapters on materials, suppliers and techniques are followed by comprehensive instructions, with colour illustrations, for over 180 stitches that can be worked in thread, yarn or ribbon. The compact format, handily spiral-bound, ensures that this is the perfect companion for every embroiderer whatever their skill level.--Judy Wilford 'East Kent Embroiderers Guild 'If you are a fan, or are new to Judith Baker Montano, you won't want to miss her latest book 'Judith Baker Montano's Essential Stitch Guide.' This book is exactly what it says...an essential stitch guide. Montano has combined over 180 stitches and 70 stitch combinations found in her two previous books, 'The Best of Elegant Stitches' and 'Floral Stitches' into one easy to carry with you book. For those of you just starting your embroidery journey you will find a wealth of information on getting started with the basics. Subjects range from fabrics, needles, overlays, threads and embroidery techniques such as Silk-Ribbon embroidery, Punchneedle embroidery to working with beads and using other mixed media to create the mood for your piece. You will also learn about the proper way to insert your fabric in a hoop as well as how to transfer and enlarge designs. Finally there is also a section on washing your finished work and blocking and pressing. Judith urges you to 'think like a painter' when designing your own work. How to use color to its best advantage and the best methods to compose your piece are also covered. With 180 stitches you will have an encyclopedia of stitches to choose from. Every stitch is illustrated and the instructions are easy to understand. I enjoyed reading the Crazy-Quilt Combinations chapter. In this she combines several different stitches to create and repetitive design to work along a seam line. They could also be used to decorate any number of projects. Of course I would be remiss if I failed to mention the Free-Form Embroidery chapter. Here is where all your stitching skills are put to the test creating needle art collages. You will combine everything you have just read in the book to create a beautiful piece of work such as a landscape or a seascape or just add dimension to a project you have already started. I am pleased to add this book to my collection of Judith Baker Montano's books, I am sure you will be as well.--Patti Ives 'The AppliquÃ© Society Newsletter, March/April 2016 ' Ãœber den Autor und weitere Mitwirkende Judith Baker Montano is a world-renowned Canadian fiber artist, designer, and teacher. She studied art and journalism at California State University and is the best-selling author of 12 books. She and her husband live in La Veta, Colorado. judithbakermontano.com". judith baker montano s essential stitch guide. originator of the center piece crazy judith montano. judith baker montano s essential stitch guide with images. elegant stitches illustrated stitch guide and source book. judith baker montano s essential stitch guide a source. co uk judith baker montano books. book judith baker montano s essential stitch guide. judith baker montano s essential stitch guide zulily. judith baker montano s essential stitch guide from. judith baker montano s essential stitch guide a source. judith baker montano s essential stitch guide a source. books capital quilts. judith baker montano s essential stitch guide a source. book review judith baker montano s essential stitch. judith baker montano s essential stitch guide 2 edition. judith baker montano s essential stitch guide a source. book selection judith montano. judith baker montano s essential stitch guide a source. floral stitches an illustrated guide to floral stitchery. judith baker montano s essential stitch guide a source. judith baker montano s essential stitch A guide judith. judith baker montano s essential stitch guide softcover. cross stitch software inetfasr. judith montano judith baker montano s site. quilting crazy quilting c amp t publishing. judith baker montano s essential stitch guide ebook by. judith baker montano s essential stitch guide a source. judith baker montano s essential stitch guide a source. judith baker montano s essential stitch guide search press. judith baker montano s essential stitch guide a source. judith baker montano s essential stitch guide judith. judith baker montano s essential stitch guide. read download judith baker montanos essential stitch guide. judith baker montano s essential stitch guide. judith baker montano s essential stitch guide ebook por. elegant stitches an illustrated stitch guide amp source. judith baker montano s essential stitch guide a source. the crazy quilt
