### **mozart movies and media according to fellner the**

May 19th, 2020 - the first movement is one of his grandest and most symphonic designs mozart gave both the outer movements a generosity and expansiveness of sound which for me foreshadows the style of beethoven's middle period the main theme of the third movement quotes mozart's own gavotte from the ballet music of idomeneo so it should dance

### **mozart and his infamous letters of scatological humour**

May 28th, 2020 - it is shocking that one of music's most brilliant minds was also one who penned letters with obscenities one particular individual was wolfgang amadeus mozart a prolific german composer who seemed to have a thing for scatology as evidenced in some of his letters and positions born in salzburg germany in 1756 mozart was the son of a violinist at the court of the local prince
