

The Tibetan Yogas Of Dream And Sleep By Tenzin Wangyal

"Pressestimmen 'This book gives detailed instruction for dream yoga, including foundational practices done during the day. In the Tibetan tradition, the ability to dream lucidly is not an end in itself—rather it provides an additional context in which one can engage in advanced and effective practices to achieve liberation. Dream yoga is followed by sleep yoga, also known as the yoga of clear light. It is a more advanced practice similar to the most secret Tibetan practices. The goal is to remain awake during deep sleep when the gross conceptual mind and the operation of the senses cease. Most Westerners do not even consider this depth of awareness a possibility, yet it is well-known in Tibetan Buddhist and Bon spiritual traditions. The result of these practices is greater happiness and freedom in both our waking and dreaming states. The Tibetan Yogas of Dream and Sleep imparts powerful methods for progressing along the path to liberation. A detailed guide to using our night-lives for awakening: thought-provoking inspiring and lucid.'—Stephen LaBerge, PhD, author of Lucid Dreaming 'This explication of the dream and sleep practices becomes a window on the entire teachings of Tibetan Tantra and Dzogchen. I enjoyed this book immensely. . . . Powerfully and beautifully presented.'—Martin Lowenthal, co-author of Opening the Heart of Compassion 'The most illuminating book on this topic to appear to date.'—J. Marvin Spiegelman, PhD 'This is an appealing book not only for Buddhist dream yoga practitioners but for anyone interested in the whole area of lucid dreaming or dream work. The Tibetan syllables and the places they are to be visualized within the body are clearly illustrated; the practical instructions are well-placed within a theoretical framework; and the entire work has the flavour of direct oral teaching from an expert.'—The Tibet Journal 'Extremely clear and detailed.'—Shambhala Sun— 'Powerful methods for progressing along the path for liberation.'—The Indian International Journal of Buddhist Studies —œber den Autor und weitere Mitwirkende Tenzin Wangyal Rinpoche, a lama in the Bŀn tradition of Tibet, presently resides in Charlottesville, Virginia. He is the founder and director of Ligmincha Institute, an organization dedicated to the study and practice of the teachings of the Bŀn tradition. He was born in Amritsar, India, after his parents fled the Chinese invasion of Tibet and received training from both Buddhist and Bŀn teachers, attaining the degree of Geshe, the highest academic degree of traditional Tibetan culture. He has been in the United States since 1991 and has taught widely in Europe and America." . the tibetan yogas of dream and sleep free online library. the tibetan yogas of dream and sleep by tenzin wangyal. dream yourself awake the little known secrets of tibetan. tibetan of and selfdefinition org. the tibetan yogas of dream and sleep lucid dream. what is dream yoga and how do you do it lion s roar. the tibetan yogas of dream and sleep audiobook by tenzin. the tibetan yogas of dream and sleep tenzin wangyal. tenzin wangyal rinpoche. dream yoga illuminating your life through lucid dreaming. lucid dreaming vs dream yoga what s the andrew holecek. dream yoga illuminating your life through lucid dreaming. the tibetan yogas of dream and sleep tenzin wangyal. the
