

## Rayuela Spanish Edition By Julio Cortá Zar

Un verdadero artefacto literario que con poesía, música y originalidad recorre en un mismo viaje París, Buenos Aires y los rincones más inaccesibles de un grupo de personas que, en el afán de encontrarse, se escapan de sí mismas. «En pleno contento precario, en plena falsa tregua, tendí la mano y toqué el ovillo París, su materia infinita arrollándose a sí misma; entonces no había desorden, entonces el mundo seguía siendo algo petrificado y establecido, un juego de elementos girando en sus goznes, una madeja de calles y árboles y nombres y meses.» En

*Rayuela* (1963), Julio Cortázar supo condensar sus obsesiones estéticas, literarias y vitales a partir de un mosaico diverso, profundo, inagotable que, a su vez, refleja de forma maravillosa lo más esencial de su época. El amor turbulento de Oliveira y La Maga, los amigos del Club de la Serpiente, las impredecibles caminatas por París -la ciudad que promete el cielo pero puede conducir al infierno-, encuentran su contracara en la aventura protagonizada por Oliveira, Talita y Traveler en Buenos Aires. *Rayuela* es un libro único, abierto a múltiples lecturas, lúdico, complejo, lleno de riesgo y humor, de una originalidad sin precedentes y un talento innato para influir en las futuras generaciones..
