

# Who Says Women Can't Be Doctors: The Story of Elizabeth Blackwell

## By Tanya Lee Stone

"CrÃ¡ticas ""Here's a refreshing introduction to a regularly but often dryly cited female 'first'." --The Horn Book""Stone presents the highly readable and detailed story of a girl who is sure to inspire aspiring young doctors." --School Library Journal""Staccato text, short and snappy, easy to read yet full of information about both Blackwell and her times." --Booklist, starred review""A bracing, vivacious account of a pioneering woman." --Kirkus""[a] smart and lively biography of Elizabeth Blackwell." --Publishers Weekly""A short, incisive biography. . . . The cameos of action, matched by full-page pictures, make the history accessible. A must for library shelves." --Booklist, starred review on *Elizabeth Leads the Way*""This biography brims with upbeat energy as the spirited woman sets out to change the system--an energy amplified by Rebecca Gibbon's bright folk art-styled pictures." --The Washington Post on *Elizabeth Leads the Way*""[This book] fires up readers with a portrait of the 19th-century feminist Elizabeth Cady Stanton. . . . The sometimes informational tone is animated and energized by Gibbon's plentiful vignettes and paintings, rendered in a vibrant folk-art style." --Publishers Weekly on *Elizabeth Leads the Way*""Through words and pictures that work together and an emphasis on ideas and personality rather than factoids, this well-conceived introduction is just right for a young audience." --School Library Journal on *Elizabeth Leads the Way*""In lively prose well-matched by Gibbon's irrepressible images, Stone tells the story of suffragist Elizabeth Cady Stanton. . . . A fine introduction for very young readers to the woman and her key role in American history." --Kirkus Reviews on *Elizabeth Leads the Way*

**ReseÃ±a del editor** **A nonfiction picture book telling the inspiring story of Elizabeth Blackwell, the first female doctor, by the author of *Elizabeth Leads the Way*.** In the 1830s, when a brave and curious girl named Elizabeth Blackwell was growing up, women were supposed to be wives and mothers. Some women could be teachers or seamstresses, but career options were few. Certainly no women were doctors. But Elizabeth refused to accept the common beliefs that women weren't smart enough to be doctors, or that they were too weak for such hard work. And she would not take no for an answer. Although she faced much opposition, she worked hard and finally—when she graduated from medical school and went on to have a brilliant career—proved her detractors wrong. This inspiring story of the first female doctor shows how one strong-willed woman opened the doors for all the female doctors to come. *Who Says Women Can't Be Doctors?* by Tanya Lee Stone is an **NPR Best Book of 2013**. This title has Common Core connections. BiografÃa del autor **Tanya Lee Stone** loves to

Who Says Women Can't Be Doctors: The Story of Elizabeth Blackwell By Tanya Lee Stone

write about women pushing boundaries where no woman has before, in books like *Elizabeth Leads the Way*, *Almost Astronauts*, and now *Who Says Women Can't Be Doctors?* Her work has received such accolades as the ALA Robert F. Sibert Award, SCBWI Golden Kite Award, Bank Street's Flora Steiglitz Straus Award, and the Jane Addams Children's Book, Boston Globe-Horn Book, and NCTE Orbis Pictus honors. **Marjorie Priceman** has twice received Caldecott Honors, one for her illustrations in *Zin! Zin! Zin! A Violin!* and one for *Hot Air: The (Mostly) True Story of the First Hot-Air Balloon Ride*, which she both wrote and illustrated. She lives in Lewisburg, Pennsylvania." . read aloud sandy s circus and who says women can t be. who says women can t be doctors kirkus reviews. who says women can t be doctors katie s book reviews. who says women can t be doctors the story of elizabeth. who says women can t be doctors classroom activity. who says women can t be doctors the story of elizabeth. who says women can t be doctors the story of elizabeth. who says women can t be doctors by tanya lee stone. who says women can t be doctors the story of elizabeth blackwell weston woods. who says women can t be doctors kanopy. who says women can t be doctors the story of elizabeth. who says women can t be doctors google books. who says women can t be doctors english 271 reading. who says women can t be doctors the story of elizabeth. teachingbooks who says women can t be doctors the. who says women can t be doctors children tv passport. who says women can t be doctors on vimeo. instantly access 40 000 high quality books for kids. who says women can t be doctors getepic. who says women can t be doctors open library. who says women can t be doctors the story of elizabeth. who says women can t be doctors audiobook by tanya lee. who says women can t be doctors on apple books. scholastic. who says women can t be doctors evideo 2018 worldcat. who says women can t be doctors official web site of. who says women can t be doctors by tanya lee stone. who says women can t be doctors book a day almanac. who says women can t be doctors the story of elizabeth. who says women can t be doctors the story of elizabeth. who says women can t be doctors tanya lee stone macmillan. who says women can t be doctors the story of elizabeth. who says women can t be doctors book santa clara. who says women can t be doctors tanya lee stone macmillan. who says women can t be doctors nc kids digital library. who says women can t be doctors tanya lee stone. children s book review who says women can t be doctors. who says women can t be doctors the story of elizabeth. top shelves for who says women can t be doctors. who says women can t be doctors the story of elizabeth. who says women can t be doctors by tanya lee stone. who says women can t be doctors the story of elizabeth. who says women can t be doctors book vancouver public. who says women can t be doctors. who says women can t be doctors the story of elizabeth. who says women can t be doctors north carolina state. who says women can t be doctors by tanya lee stone. who
