

## **An Amish Courtship Mills Boon Love Inspired Historical Amish Country Brides Book 1 English Edition By Jan Drexler**

Amish Redemption Samuel Lapp all but accepts his estrangement from the Amish community—until Mary Hochstetter moves in next door to care for her elderly aunt. The young woman with the pretty brown eyes sees Samuel differently than his neighbors do. If he can earn her respect while helping with her aunt's chores, perhaps the rest of the community will follow. But Samuel can't let Mary get too close, lest he disappoint her as well. Mary's relocation to Shipshewana, Indiana, means confronting her deepest fears. By helping Samuel rebuild his life and his farm, she finally feels ready to embrace her future. But as their delicate friendship grows deeper, they both must overcome their painful pasts before they can build a home together.
