"Pressestimmen 'This collection gathers 20 of Asimov's greatest (with Asimov, the word 'great' is no mere hyperbole), older short stories, plus one tale written especially for this book, and an important essay... represents the top picks from a 40-year career...some rarely seen.' Synopsis A compilation of both vintage and never-before-collected Asimov stories. It features works such as 'Little Lost Robot', 'The Feeling of Power' and 'The Last Question'. Recent books published by the author include 'Robots and Empire' and 'Foundation and Earth'.
