Children and parents alike will want to devour the fun facts and charming illustrations of fruits from the familiar banana to the not as familiar yumberry. Mrs. Peanuckle's Fruit Alphabet is the second in a series of board books celebrating the joy nature brings to young children at home and in the backyard, from fresh fruits and vegetables to birds, bugs, flowers, and trees. Biografía del autor Mrs. Peanuckle loves to write, talk to animals and birds, and putter in her garden. She has a vast assortment of children and grandchildren (some of them pets and some of them imaginary). She also collects rocks, shells, books, and eccentric friends. When she is not traveling and exploring the universe, you can find her cooking and eating while singing in her magical cabin in the woods. Most of all, she loves to laugh.
