"Recensione ""Charles Dickens is an indelible part of Yuletide reading"" (Guardian)""Dickens made Christmas a festival of generosity and moved it away from the unpopular religious festival it had been"" (Irish Times)""[A Christmas Carol is] a story which, perhaps more than any other, sums up the spirit of the British Christmas"" (Sunday Telegraph)""Charles Dickens' Christmas stories showed his readers all the magical trappings of the season"" (Sunday Express)

Descrizione del libro A selection of the best of Dickens' Christmas stories and writings, in one beautiful hardback edition Dalla quarta di copertina Christmas time! That man must be a misanthrope indeed, in whose breast something like a jovial feeling is not roused by the recurrence of Christmas. There are people who will tell you that Christmas is not to them what it used to be; that each succeeding Christmas has found some cherished hope dimmed or passed away. Never heed such dismal reminiscences. Do not select the merriest of the three hundred and sixty-five for your doleful recollections, but draw your chair nearer the blazing fire – fill the glass and send round the song – and if your glass be filled with reeking punch, instead of sparkling wine, put a good face on the matter, and empty it off-hand, and fill another, and thank God it's no worse.

Charles Dickens L'autore Charles Dickens was born in Hampshire on February 7, 1812. His father was a clerk in the navy pay office, who was well paid but often ended up in financial troubles. When Dickens was twelve years old he was sent to work in a shoe polish factory because his family had been taken to the debtors' prison. Fagin is named after a boy Dickens disliked at the factory. His career as a writer of fiction started in 1833 when his short stories and essays began to appear in periodicals. The Pickwick Papers, his first commercial success, was published in 1836.

In the same year he married the daughter of his friend George Hogarth, Catherine Hogarth. The serialisation of Oliver Twist began in 1837 while The Pickwick Papers was still running. Many other novels followed and The Old Curiosity Shop brought Dickens international fame and he became a celebrity in America as well as Britain. He separated from his wife in 1858. Charles Dickens died on 9 June
