

The New Girl A Young Adult Sweet Romance Oak Brook Academy Book 1 English Edition By Jillian Adams

A new girl at school who is serious about her studies. A football player with nothing but fun on his mind. Can two teenagers from opposite worlds find love?

Sophie Blake is used to change. She's used to being the new kid at school. But she's never had the privilege of attending a school like Oak Brook Academy. She's certainly never pictured herself at a boarding school with kids who have more money than what she could even imagine spending. Wes Carter's life is pretty easy. He's popular, he's on the football team and there's no shortage of girls who are willing to spend time with him. Most girls don't seem to challenge him the way that new girl, Fifi does. Something about the new girl is definitely intriguing. When Sophie stands up to Wes during a playful first encounter and then marches out of the popular kids' secret hideout, she puts her entire high school reputation on the line. She's happy with her decision to be true to herself, but why can't she get his dreamy green eyes out of her mind? The New Girl is the first standalone book in the Oak Brook Academy teen sweet romance series. If you like charming mismatches, high school antics, and flirtatious twists of fate, then you'll love Jillian Adams' idyllic tale of love and romance for young adults.
