**ACIM, the Fun Version!** A real-world rewrite of the lessons of *A Course in Miracles* by the #1 *New York Times* best-selling author of *E-Squared*. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook—the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.. the course in miracles experiment a starter kit for. the course in miracles experiment audiobook by pam grout. the course in miracles experiment a starter kit for. the course in miracles experiment a starter kit for. a course in miracles experiment by pam grout my book review acim. podcasts archive circle of atonement. the course in miracles experiment a starter kit for. the course in miracles experiment a starter kit for. catherine behan master language of attraction and. the course in miracles experiment by pam grout. course in miracles experiment von pam grout auf reinlesen de. the course in miracles experiment a starter kit for. the course in miracles experiment by grout pam ebook. the course in miracles experiment bookshare. the course in miracles experiment a starter kit for. the course in miracles experiment a starter kit for. the course in miracles experiment by pam grout overdrive. the course in miracles experiment a starter kit for. the course in miracles
