

James Bond Behind The Tuxedo By Luis Abbou

"Críticas Amazing job by a very young writer. I appreciate the interviews with Ian Fleming's friend, Nick Hague, Del Singh, Graham Johnson or Hy Smith, people that I didn't know that they had a connection with the Bond world, however the interviews with Bond Girls, villains, cast and crew are always interesting. This is an interesting history and analysis of James Bond, mainly the films, but with some coverage of the books also. I've absolutely loved this book! There is so much detail.
